Today, May 29, 1926, - dear Papa would have been ~~84~~ years old but it was not so to be. He passed away just two months ago today, March 29. We went to the vault in the forenoon, each doing their bit in decorating.

Mama & Dora - gave wreaths, Minnie cut flowers (peonies & carnations), Olivia decorated a frame-work with wistaria and a bird-cage and Nora - artificial flowers bought in N. C. & daisies. It is very warm today.
